2. **Chain Stitch:** Begin by creating a chain stitch foundation of the desired width for your Afghan. The length of the chain will determine the length of the Afghan.
3. **Star Stitch Row:** Hook the yarn over the crochet hook and insert it into the second chain from the hook. Pull up a loop and hook it over again, creating a double crochet stitch. Repeat this process twice more, making three double crochet stitches in the same chain.
4. **Corner Stitch:** To form the corner, chain 3 and then work 3 double crochet stitches into the next chain. Chain 3 again and skip the next chain.
5. **Next Row:** Work a double crochet stitch into the next chain, then chain 3. Repeat this sequence, always working 3 double crochet stitches into the corner chain spaces.
6. **Color Changes:** To change colors, simply cut the yarn and tie on a new color. Weave in the ends using a yarn needle.
1. **Border:** Once you have completed the Afghan, you can add a border to enhance its appearance. Choose a yarn color that complements the Afghan and work a single crochet or other border stitch around the edges.

2. **Weave in Ends:** Use a yarn needle to weave in any loose ends to secure the Afghan and prevent unraveling.
