

Delphi Complete Works of Lucretius Illustrated: Delphi Ancient Classics 46

Enter the captivating world of ancient Roman philosophy and poetry with the Delphi Complete Works of Lucretius Illustrated. This comprehensive collection offers a profound exploration of the ideas of Titus Lucretius Carus, one of the most influential thinkers of his time.

Epicureanism and the Nature of Things

Lucretius is primarily known for his epic poem 'On the Nature of Things,' a philosophical masterpiece that expounds the principles of the Epicurean school of philosophy. Epicureanism, founded by the Greek philosopher Epicurus, emphasized the pursuit of pleasure and the minimization of pain. Lucretius' poem delves into the fundamental questions of existence, exploring the nature of the universe, the origins of life, and the role of the gods.

Through vivid language and poetic imagery, Lucretius presents a compelling argument for a materialist and atomistic worldview. He posits that the universe is composed of indivisible particles, atoms, and that all phenomena can be explained by the interactions of these atoms. His philosophy challenged the prevailing religious and superstitious beliefs of his time, promoting reason and observation as the path to understanding the world.

Beyond 'On the Nature of Things'

In addition to his magnum opus, this collection includes all of Lucretius' other known works, providing a comprehensive overview of his philosophical and literary contributions. These writings offer insights into his views on ethics, epistemology, and the nature of human happiness.

Delphi's Unparalleled Edition

The Delphi Complete Works of Lucretius Illustrated goes beyond mere text, offering a wealth of supplementary materials to enhance your understanding of Lucretius' work. Detailed introductions and notes by renowned scholars provide context and illuminate the complexities of Epicurean philosophy.

This edition is further enriched with stunning illustrations that bring to life the concepts and imagery of Lucretius' poetry. These images, sourced from ancient manuscripts and modern artwork, provide a visual complement to the written text, enhancing your engagement with Lucretius' ideas.
