Origins and Lore

Nophek Gloss The Graven's origins remain shrouded in enigma, its existence predating the dawn of time itself. Some scholars speculate that it emerged from the primordial chaos that preceded the creation of the cosmos, a fragment of the undifferentiated void that refused to succumb to the forces of order and structure. Others whisper of its connection to Azathoth, the blind and idiot god at the center of all existence, suggesting that Nophek Gloss is a manifestation of Azathoth's chaotic essence, a fragment of its boundless power that gained sentience and a twisted semblance of purpose.

The name "Nophek Gloss The Graven" itself hints at the entity's enigmatic nature. "Nophek" evokes a sense of darkness and secrecy, while "Gloss" suggests a superficial or deceptive nature. The term "Graven" implies that the entity has been etched into the fabric of reality, leaving an indelible
