The battle takes place at Marineford, the headquarters of the Marines. The Marines are led by Admiral Akainu, a powerful and ruthless man who is determined to destroy the Straw Hats. The Straw Hats are outnumbered and outgunned, but they are not about to give up. They fight bravely, using their unique abilities to take down the Marines one by one.

One of the most memorable moments in the battle is when Luffy uses his Gear Fourth form to take on Akainu. Gear Fourth is a powerful transformation that gives Luffy incredible strength and speed. He uses this

power to land a devastating blow on Akainu, but it is not enough to defeat him.

Despite their best efforts, the Straw Hats are eventually defeated. Luffy is captured and taken to Impel Down, a prison for the world's most dangerous criminals. The other Straw Hats are scattered, and they must find a way to regroup and rescue their captain.
