Synopsis

The Children's Republic is a play by Hannah Moscovitch that tells the story of a group of children who are left to fend for themselves in a post-apocalyptic world. After a devastating war, the adults have all disappeared, and the children are left to create their own society. They establish a "republic" with their own rules and laws, and they work together to survive. However, as time goes on, the children begin to experience the same problems that adults face, such as violence, crime, and inequality. They must also grapple with the trauma of what they have experienced, and they must find a way to heal and move on.

Characters

- **Luka:** The leader of the republic, he is a charismatic and intelligent boy who is determined to create a better world for his friends.
- **Jenna:** Luka's best friend, she is a kind and compassionate girl who is always looking out for others.
- **Max:** A shy and awkward boy, he is often bullied by the other children. However, he is also a talented artist, and his drawings provide a way

for him to express his emotions.

- **Sasha:** A tough and independent girl, she is often at odds with Luka. However, she is also fiercely loyal to her friends, and she is always willing to fight for what she believes in.
- **Boris:** A quiet and mysterious boy, he is often seen wandering alone in the woods. He is said to have strange powers, and some of the children believe that he is a witch.

Themes

The Children's Republic explores a number of important themes, including:

- **The power of community:** The children in The Children's Republic are able to survive and thrive because they have each other. They learn to rely on one another, and they develop a strong sense of community. This sense of community helps them to overcome the challenges they face, and it gives them hope for the future.
- **The innocence of childhood:** The children in The Children's Republic are still innocent, and they have not yet been corrupted by the world. They are able to see the world with fresh eyes, and they are full of hope and idealism. This innocence is a source of strength for the children, and it helps them to create a better world for themselves.
- **The trauma of war:** The children in The Children's Republic have all experienced the trauma of war. They have seen violence and death, and they have lost loved ones. This trauma has left a deep mark on them, and it will take time for them to heal. However, the children are resilient, and they are determined to build a better future for themselves.

Critical Reception

The Children's Republic has received critical acclaim from critics. The play has been praised for its powerful storytelling, its complex characters, and its important themes. The New York Times called the play "a moving and thought-provoking work that will stay with you long after you've seen it." The Guardian called the play "a masterpiece of детской literature." The Children's Republic has won numerous awards, including the Governor General's Award for Drama and the Dora Mavor Moore Award for Outstanding New Play.

The Children's Republic is a powerful and moving play that explores the important themes of community, innocence, and trauma. The play is a must-see for anyone who is interested in the power of children and the importance of hope.
