The Silent Patient

Alex Michaelides

Alicia Berenson's life is a perfect illusion. Her husband, Gabriel, is a renowned painter, and she is a celebrated artist herself. But behind closed doors, she is trapped in a world of silence and terror. For six years, she has not spoken a single word.

Theo Faber is a criminal psychotherapist who has been assigned to Alicia's case. He is determined to break through her silence and uncover the truth behind her trauma. As Theo delves deeper into Alicia's past, he realizes that there is more to her story than meets the eye.

The Silent Patient is a gripping psychological thriller that will keep you on the edge of your seat until the shocking twist at the end. It is a story of love, loss, and the dark secrets that we keep hidden from the world.
