## Exceptional Craftsmanship

The Jack Widow 17 is meticulously crafted by renowned knife maker The Protector, known for its unwavering commitment to quality and innovation. The knife's solid frame and impeccable fit and finish are a testament to the company's dedication to precision engineering.

## **Durable Materials**

The knife's blade is made from D2 steel, renowned for its exceptional edge retention and wear resistance. The high carbon content ensures that the blade can withstand repeated use and maintain its sharpness over extended periods. The handle is constructed from G10, a lightweight and durable composite material that offers a secure and comfortable grip.

## **Versatile Design**

The Jack Widow 17 features a versatile design that accommodates a wide range of tasks. Its drop point blade excels at piercing, slicing, and general cutting, while the partially serrated section provides enhanced cutting power on tough materials like ropes and fabrics.

## **Ambidextrous Operation**

The knife's ambidextrous design allows for seamless operation by both left- and right-handed users. The thumb studs on both sides of the blade facilitate easy deployment, and the reversible pocket clip ensures convenient carry options.

## **Performance**

The Jack Widow 17 delivers exceptional performance in both tactical and everyday situations. Its sharp blade effortlessly slices through various materials, while the ergonomic handle provides a secure and comfortable grip, enabling prolonged use without fatigue.

## **Tactical Applications**

The Jack Widow 17's robust construction and sharp blade make it an effective tool for tactical self-defense and emergency situations. Its partial

serrations enhance its cutting power on fibrous materials, such as clothing and ropes.

## **Everyday Carry**

Despite its tactical capabilities, the Jack Widow 17 is also a versatile everyday carry knife. Its compact size and lightweight construction make it suitable for tasks such as cutting boxes, preparing food, and performing general utility tasks.

## **Suitability for Different Applications**

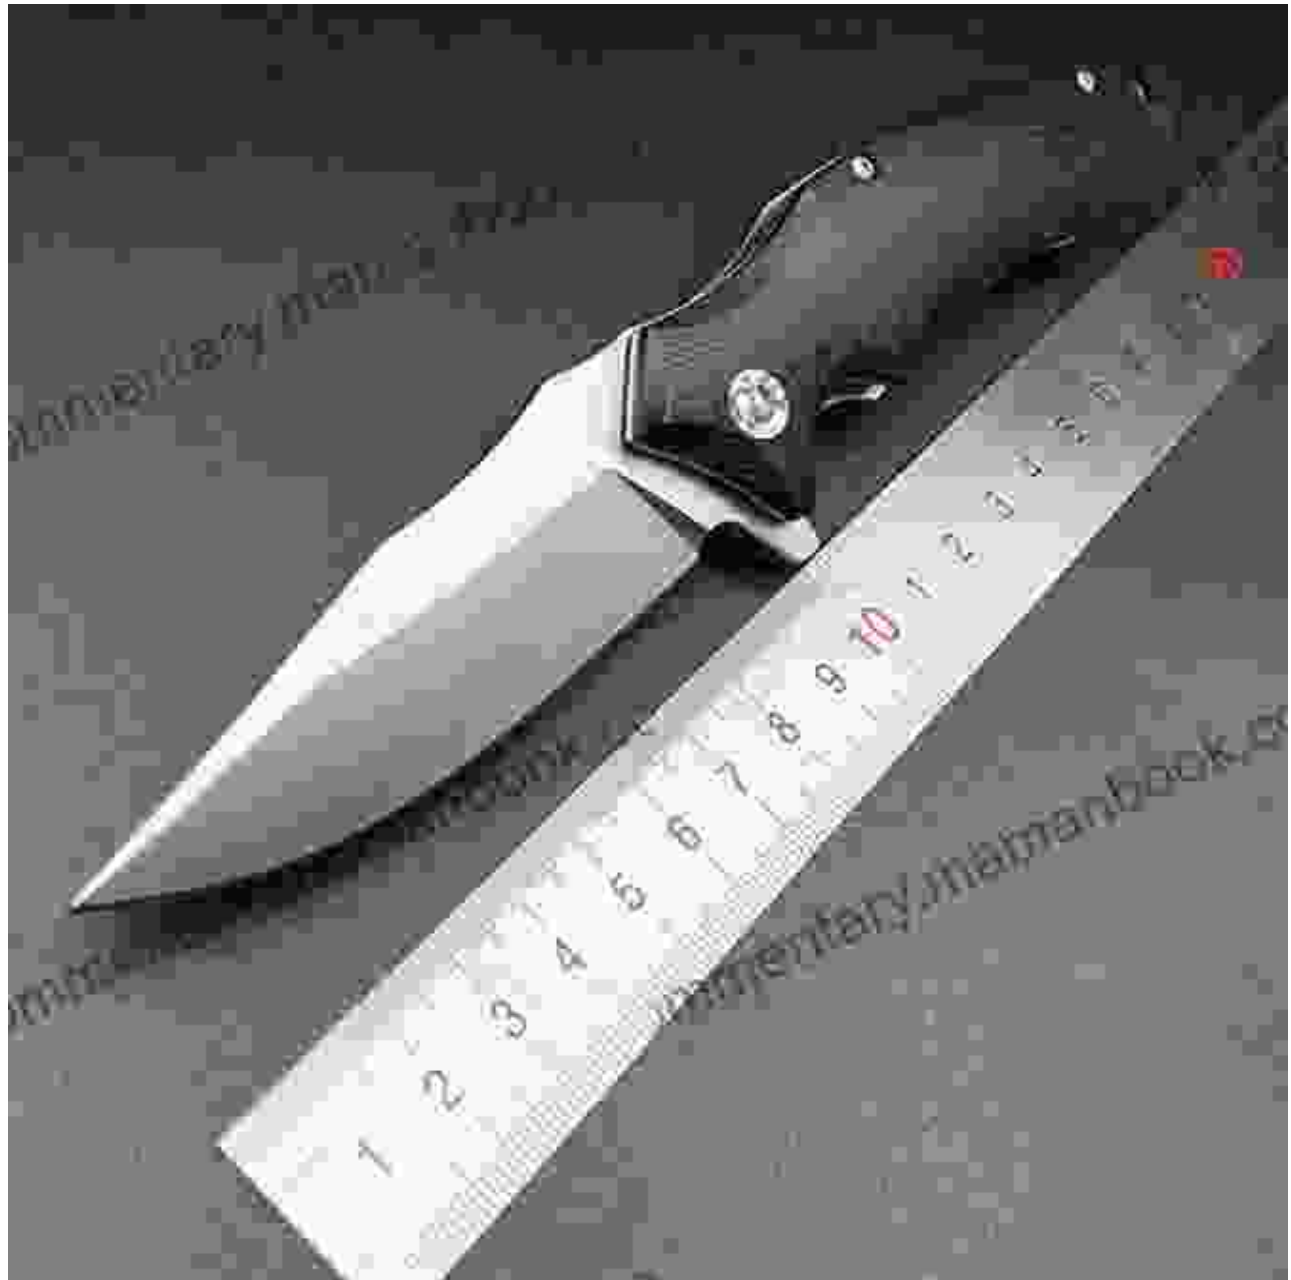

The Protector Jack Widow 17 is an excellent choice for users seeking a premium folding knife with tactical and everyday carry capabilities. Its exceptional craftsmanship, durable materials, and versatile design make it suitable for the following applications:

- Tactical self-defense
- Emergency preparedness
- Outdoor activities
- Everyday carry
- Utility cutting tasks

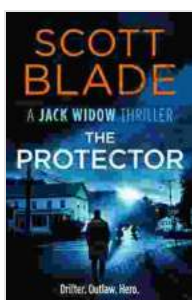

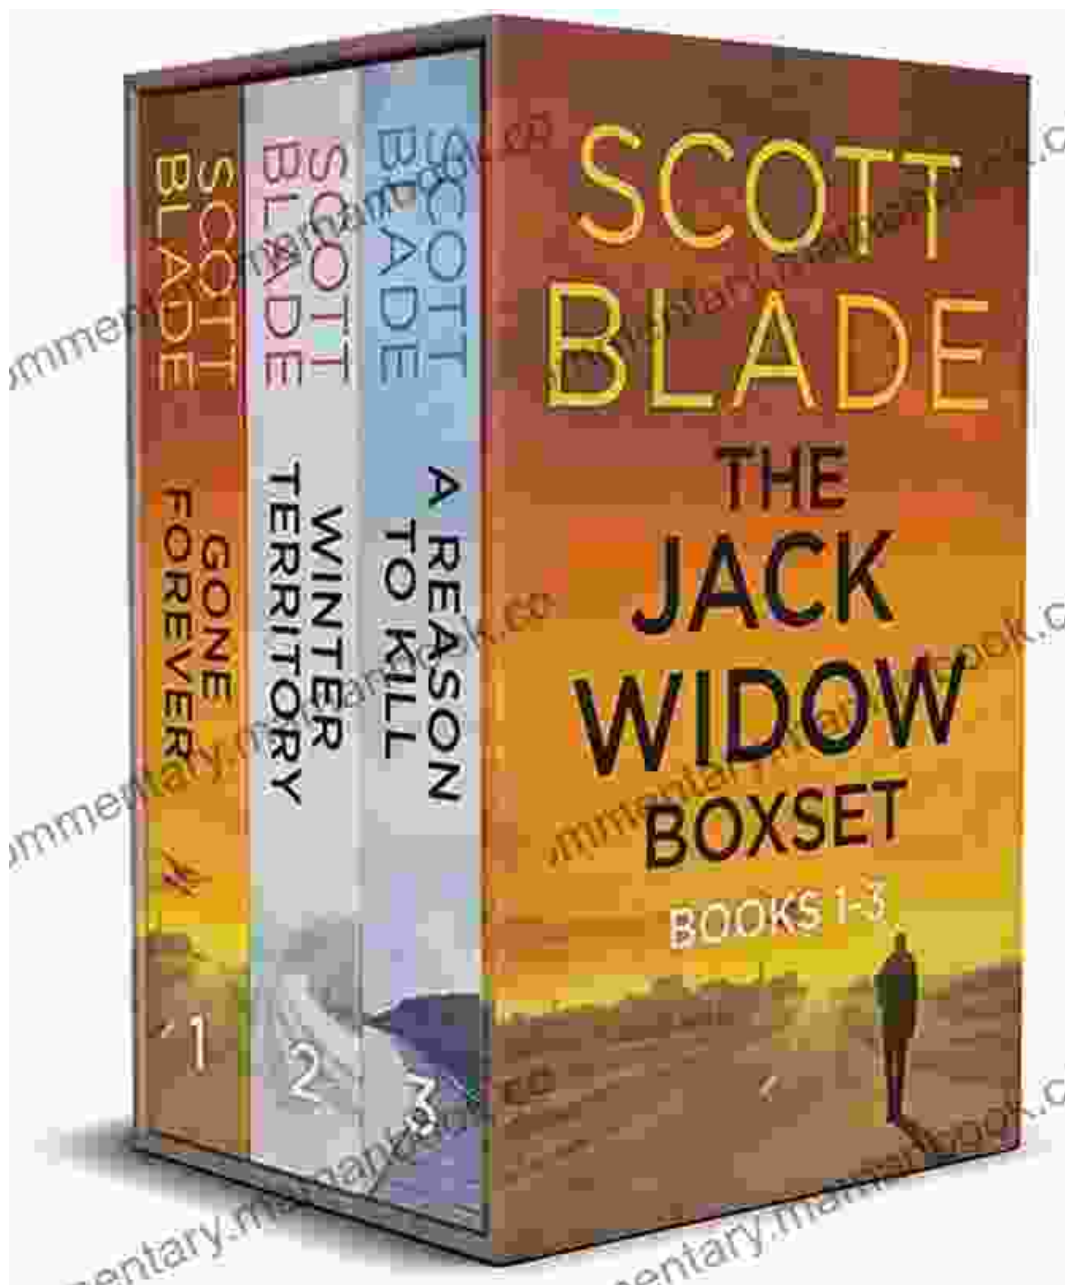

The Protector Jack Widow 17 is a premium folding knife that embodies superior craftsmanship, durable materials, and versatile design. Its exceptional performance and suitability for various applications make it an indispensable tool for tactical and everyday carry purposes.
